New **Rediatm's** for Cowra and Forbes

It is with some pleasure that we announce that the new ATM's at Cowra and Forbes are now fully operational. Since the commencement of ATM Direct Charging in March this year, members at both Cowra and Forbes had to use a local St George Bank ATM to avoid being charged a Direct Fee. This arrangement is now to cease and members will need to use any Rediatm to avoid the direct charge.

The ATM at Forbes is located in the window of our branch at 87 Rankin Street, while the Cowra machine is located at the entrance to Logan Court at 91 Kendal Street.

All transactions conducted using a Rediatm will be counted towards your monthly allowance. We allow you 4 free combined Rediatm/over the counter cash withdrawals and 8 free Eftpos withdrawals per month. Should you have a loan or savings with us then the level of your free transactions may increase. Members with housing loans and/or investments over \$50,000 currently enjoy unlimited Rediatm and Eftpos transactions.

Should you located in a town that does not have a Rediatm, and you need cash, then use your card to make an eftpos withdrawal and ask for extra cash out as part of the transaction.

To locate your nearest Rediatm, go to our home page and click on the link situated under the Redinet Login button.

Should you use a non Rediatm, then the owner of the ATM will charge your account with a fee (Normally \$2). You will be advised of the fee prior to the transaction being completed.
