Here are some examples of how Member Rewards works

Your Member Rewards are calculated by adding the average balance of your Savings, Investment and Loan account balances for the month (within a single Membership).

For example

Say your average account balances for the month were S1 \$2,000, S4 \$600 and Housing Loan \$74,000 - resulting in a total of \$76,600.

This would entitle you to **unlimited free** ATM or over-the-counter cash withdrawals, EFTPOS and BPay, RediNet, RediPhone and 8 free Member cheque transactions for the month.

Example 2

Your average account balances for the month were S1 \$800, S4 \$2,000, FTD \$3,000 & Personal Loan \$15,000 - resulting in a total of \$20,800.

This would entitle you to **unlimited free** ATM withdrawals, 8 over-the-counter cash withdrawals, 15 free EFTPOS, 5 free Member cheques and **unlimited free** BPay, RediNet and RediPhone transactions for the month.

Example 3

If your average account balances for the month were S1 \$300, S4 \$200, FTD \$500 & Personal Loan \$4,000 - resulting in a total of \$5,000.

This would entitle you to **unlimited free** ATM withdrawals, 8 over-the-counter cash withdrawals, 10 free EFTPOS, 2 free Member cheques and **unlimited free** BPay, RediNet and RediPhone transactions for the month.
