Registering for OTP via SMS Procedures

The following steps show the SMS One Time Passwords registration process for CWCU Redinet users.

Step 1 Log into Redinet online banking on a PC or Laptop or tablet (full site).

Step 2 From the menu, choose **Services & Help** and then **Setup Security Options.**

The page should look similar to the following:

SMS One Time Passwords

Request

Status: **Not Requested**

Cancel

Step 3 Click on the **Request** button

The **Request SMS One Time Password** page is displayed:

Request SMS One Time Password

You can request an SMS One Time Password to enhance your
Internet Banking security by completing the details below:

Send SMS One Time Passwords to the following mobile number:

Contact Details

Request   Cancel

SMS One Time Passwords

Step 4 From the **Send SMS One Time Passwords to the following mobile number** section, select the appropriate mobile phone number from the drop-down list. In most cases there will be only one to select.

Step 5 Click on the **Request** button. A confirmation page will be displayed:

Step 6 After confirming the request, a receipt will be issued.

- Click on the **Finish** button
